this remedy stands unrivalled. It is a slight stimulant and a powerful tonic and alterative. As a beautifier of the complexion, in the cure of 1 im ples and blothes, in producing a clear and beautiful skin, it is a much more safe and sure remedy than all the cos metics and lotions in existence. Try it, and you will never regret it. Do not lose confidence if it should seem at first to increase the discuse—the general effect of the medicine being to drive all impurities to the surface, and by that means out of the system.
